

BE ONE OF THE MILLION

The 100forHeroes Campaign - VTEC Fort Gillem Historic Army Base Revitalization and Expansion

The 100forHeroes Campaign is uniting **1 MILLION** soldiers, veterans, military families, and supporters nationwide to expand the proven VTEC Training Program from Fort Benning Army Base in Columbus, Georgia to the historic, currently closed Fort Gillem Historic Army Base.

This transformation will create a permanent national campus dedicated to training, empowering, and supporting service members, their families, and the communities they serve. Thousands of soldiers across the United States will benefit — once opened, the VTEC Fort Gillem Historic Army Base Training Center will serve and empower thousands of service members, veterans, and their families with career-focused training and guaranteed careers.

The Mission

We are purchasing the Fort Gillem Historic District — including its land, buildings, and the former U.S. Army Command Center — to create the nation's first dedicated training campus for soldiers transitioning out of the military, veterans, and their families.

This campus will **expand** VTEC's proven programs currently operating at Fort Benning Army Base in Columbus, Georgia, bringing life-changing opportunities and guaranteed career pathways to heroes nationwide.

"This is not just a project — it is a once-in-a-generation mission."

Transparency You Can Trust

We never ask anyone to give blindly. Since 2017, VTEC has empowered transitioning soldiers, veterans, and communities nationwide with proven training and support programs. VTEC is proud to have earned the **Platinum Seal of Transparency from Candid** — the highest level of recognition for nonprofit accountability. This seal demonstrates our unwavering commitment to integrity, trust, and measurable impact for soldiers, veterans, and their families.
